

Dear Preshanie and Staff,

Compliments of the New Year and hoping 2015 brings you all the joys, happiness and fulfilment your heart's desire.

Devi & I would like to thank you and the team from the bottom of our hearts for the superb education and well-being provided to Arya. When we were deciding on a Pre-School for Arya, it was without doubt that Teddy Bear Montessori stood out and we had no hesitation in allowing Arya to start her foundation phase in your school. This was the best decision we have made, as Arya has shown the results of the excellent education and standards set by your school.

We have watched Arya grow from a shy, scared, introvert, nervous and clingy child into a confident, intelligent, bubbly, bright, extrovert and happy child - this all thanks to you and your wonderful staff. Preshanie, I remember the 1st two weeks that Arya had joined and she was very clingy to you. I thank you for your patience, perseverance, dedication and personal support that you have provided in those initial weeks and thereafter.

Portia, I thank you for always watching over all the kids and nurturing them as a mother would. You are truly Preshanie's right hand support. Onica, thank you for always being there for Arya and protecting her and listening to her complaints :-)

Patrick, thank you for your always smiling face and friendly greetings as we enter the school. Samantha, being new at the school, the kids have warmed up to you very nicely and I thank you for the good spirit you bring to the school.

Preshanie, to your mom, a big thank you to her for always treating Arya as her own grandchild and for the wonderful meals she prepared.

Today, Arya is in Grade 1 and she is so prepared to start her schooling career, thanks to Teddy Bear Montessori. She speaks highly of the staff and her school and she is going to shine and prove that her preparatory school is the reason for this. She is going to make TBM and the staff proud of where she comes from.

I am most certain that TBM will grow from strength to strength and will soar in the academic world. I wish you, the staff and TBM every bit of success and blessings be showered upon you. I will continue to speak highly of the school and encourage parents to send their kids to TBM.

All the best in the future.

Arya & Parents.
